Notable features:

Remodelled old houses on S. Carlton (9/13) and filled-in new structures at 1100 for Academy Enterprises which appears to be a salvage operation is now building new addition in empty lots 63-65. Academy (junk dealer) evidently owns lots 60-66 all of which is put together under 1100 Both Street. (See photo on sheet for 3-23 S. Carlton for new concrete block wall built in last days of July.)

Environmental context:

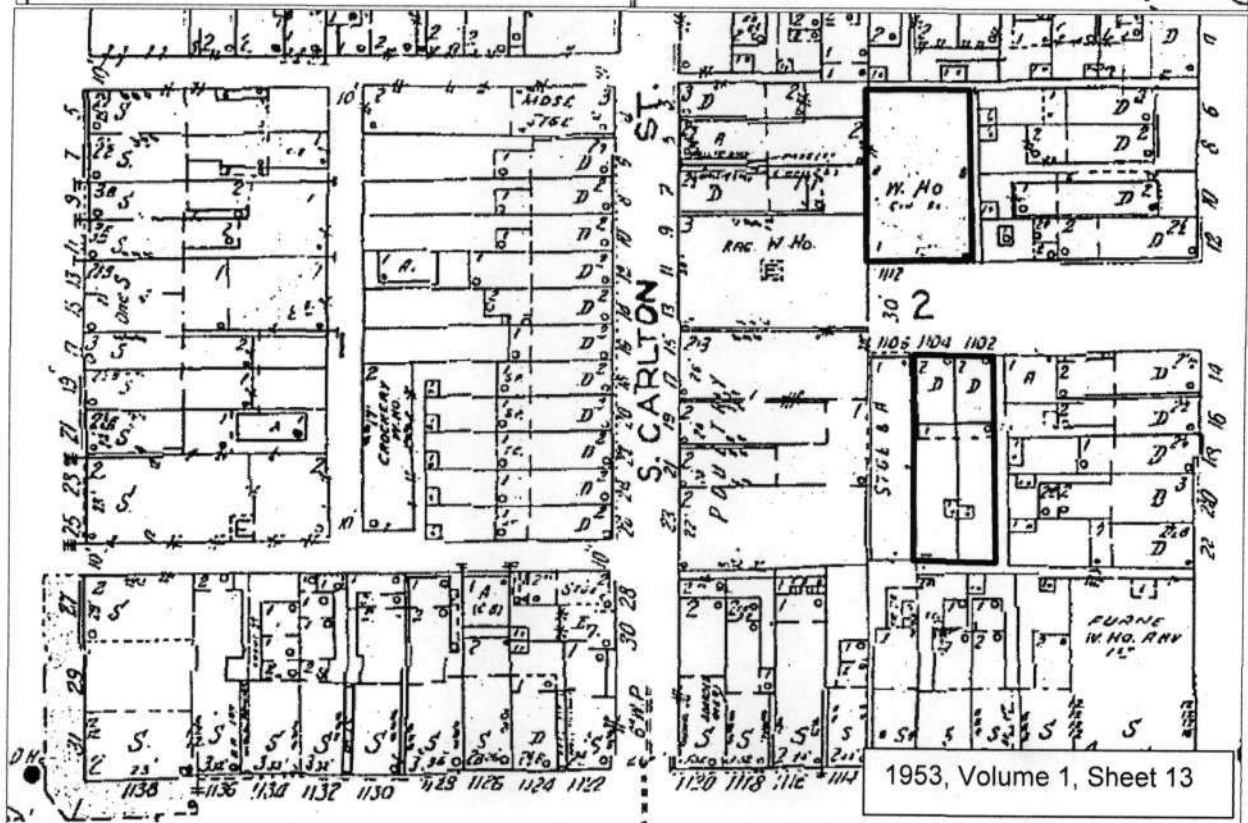

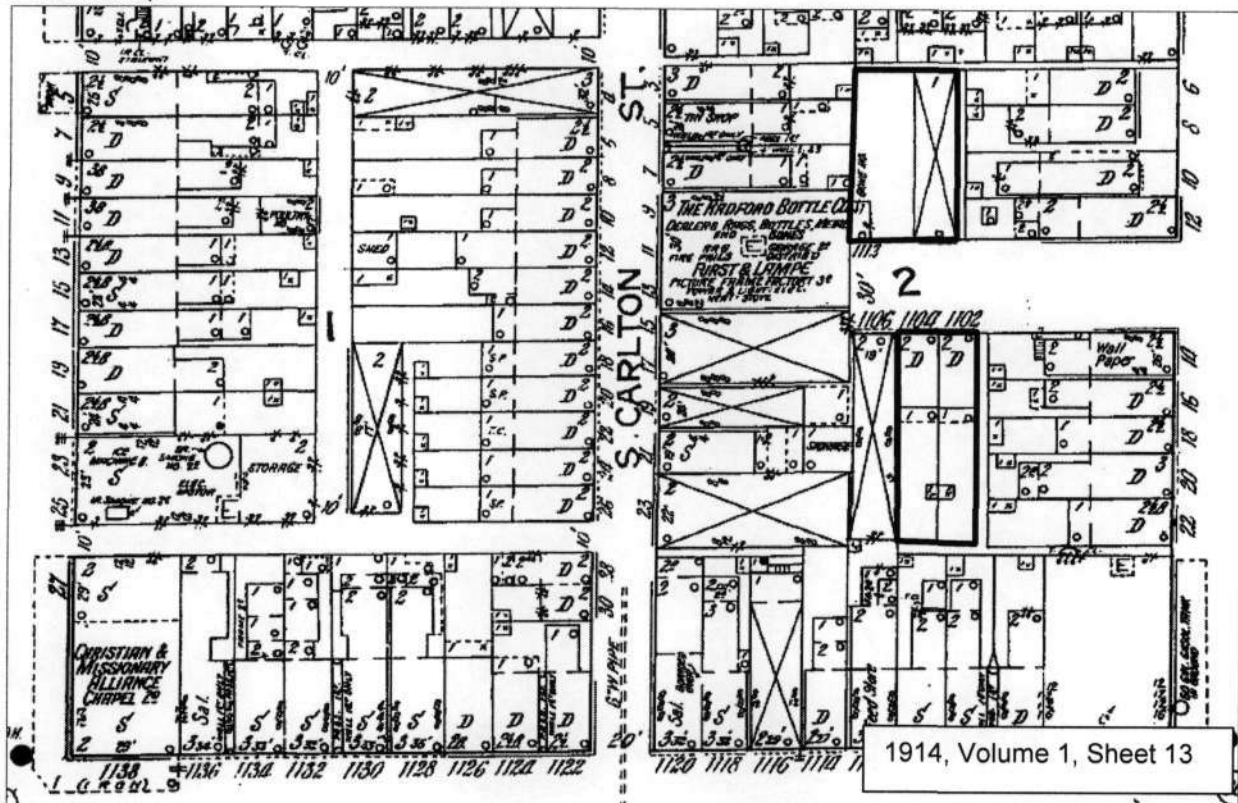

Lots 60/61 and 62 at 1101-1103 Booth are cleared and used for truck parking. (See sheet for 3-23 S. Carlton and block summary for suggestions re: this area.)
